

國立中央大學

NATIONAL CENTRAL UNIVERSITY

Location of **NCU**

50km away from Taipei
20km away from Taiwan Taoyuan Int'l Airport

Kaohsiung

NCU Profile

Established	1915
Ranking	QS World Ranking: 415 U.S. News & World Report: 3 in Taiwan Google Scholar Citations: 5 in Taiwan
Professors & Researchers	900
Average cost spent on each student	USD 13000
Faculty/Department	8 Faculties/ 26 Departments
Graduate Program	41 PhD./ 48 Master
Student Body	12,000
Under : Graduate	1:1
Partner Universities	257
Pine Trees	Over 10000

Features of Faculties

Liberal Arts & Hakka Studies

College of Liberal Arts

- Three rigorous departments: Chinese literature, English, and French.
- Five prestigious graduate institutes: Philosophy, History, Art Studies, Learning and Teaching, and Inter-Asia Cultural Studies.
- Three leading research centers: Confucianism studies, Ming-Ching studies, and Visual Culture.
- The college works closely with the Humanities Center and the Art Center to make the campus of NCU an exciting place to experience Chinese opera (xiqu), modern theatrical performance, and world cinema in Kunqu Museum, Black Box Theatre, and 107 Movie Arthouse.

College of Hakka Studies

- ◆ Emphasize on inter-disciplinary integration to search Hakka related issues, train practitioners with international vision, and encourage them to assume the responsibility to build up a civil society for Taiwan

Programs AT NCU

College of Liberal Arts

	Bachelor	Master	Doctoral
Chinese Literature	•	•	•
English	•	•	
French Language & Literature	•	•	
History		•	
Philosophy		•	•
Art Studies		•	
Learning & Instruction		•	•
International Master Program in Inter-Asia Cultural Studies (UST)		•	

Programs AT NCU

College of Hakka Studies

	Bachelor	Master	Doctoral
Hakka Language and Social Sciences	•	•	•
Law and Government		•	

Features of Faculties

College of Science

- International Science Collaborations-ALMA, AMS, CERN-CMS
- Lulin Observatory
- Pioneer in Optical Researches
- 50% of Graduate Students in Physics, Chemistry, and Optics and Photonics

Programs AT NCU

College of Science

	Bachelor	Master	Doctoral
Physics	•	•	•
Mathematics	•	•	•
Chemistry	•	•	•
Optics & Photonics	•	•	•
Astronomy		•	•
Statistics		•	•
International Ph.D. Program in Photonics (UST)			•

Features of Faculties

College of Earth Sciences

- ◆ The one and only one earth science college in Taiwan
- ◆ Lead the country in both seismology and geophysical prospecting
- ◆ Leads the nation on the researches among data assimilation, underground water resources, radar meteorology, atmospheric chemistry and model simulations.
- ◆ The authority of tsunami research and radar science in Taiwan.
- ◆ World-class capabilities: include space environment monitoring, space plasma analysis and simulation, frequency prediction for HF radio communication, and space payload fabrication

Programs AT NCU

College of Earth Sciences

	Bachelor	Master	Doctoral
Earth Sciences	•	• Geophysics	• Geophysics
Atmospheric Physics	•	•	•
Space Science		•	•
Hydrological & Oceanic Sciences		•	•
Applied Geology		•	•
International Graduate Program for Earth System Science (TIGP)			•

Features of Faculties

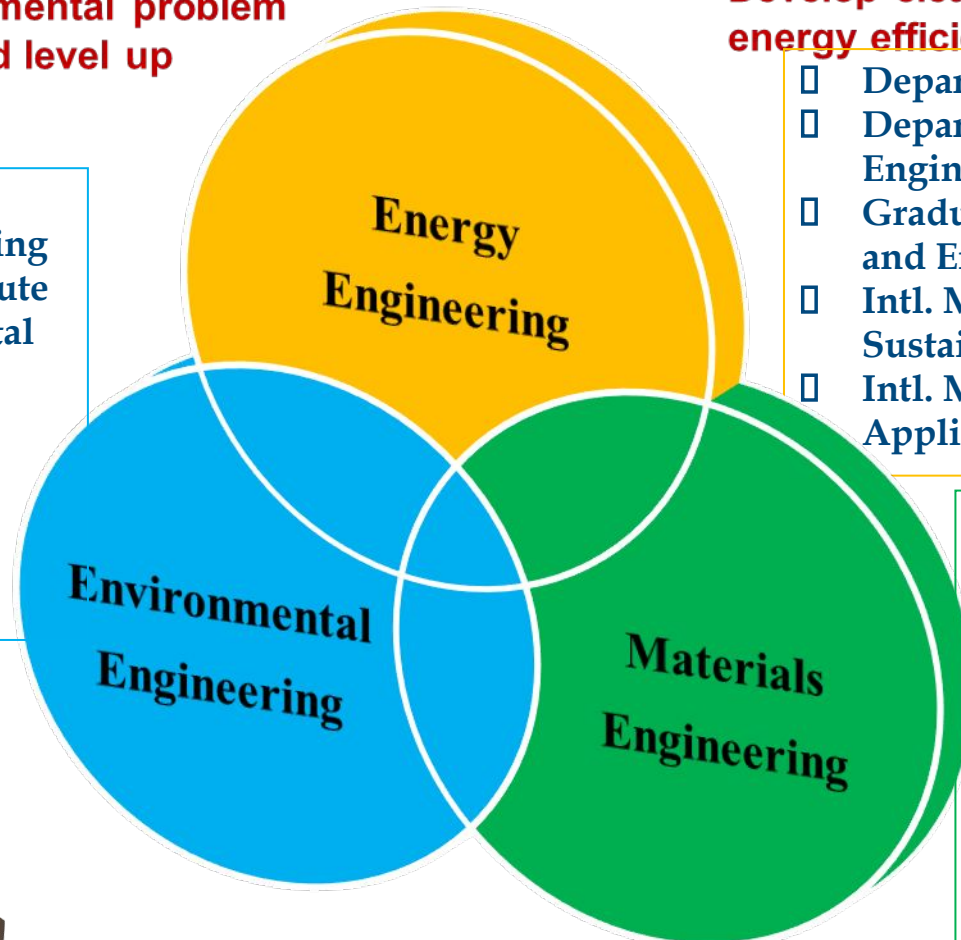

College of Engineering

Solve the environmental problem in Taiwan area and level up the environmental living quality.

- Department of Civil Engineering
- Graduate Institute of Environmental Engineering
- Intl. Master Program for Environment Sustainable Development

Develop clean energy and technology on energy efficiency and carbon-reduction.

- Department of Mechanical Engineering
- Department of Chemical and Materials Engineering
- Graduate Institute of Materials Science and Engineering
- Intl. Master Program for Environment Sustainable Development
- Intl. Master Degree Program in Applied Materials Science

- Department of Mechanical Engineering
- Department of Chemical and Materials Engineering
- Graduate Institute of Materials Science and Engineering
- Intl. Master Program for Environment Sustainable Development
- Intl. Master Degree Program in Applied Materials Science

National Central University

Design and develop new materials applied in green energy, electronics, catalysts, and bio-engineering.

Applied Materials Science (English Taught Program)		•	
Environment Sustainable Development (English Taught Program)		•	

Features of Faculties

College of Electrical Engineering and Computer Science

Intelligent
Chip and
System
Center(ICS)

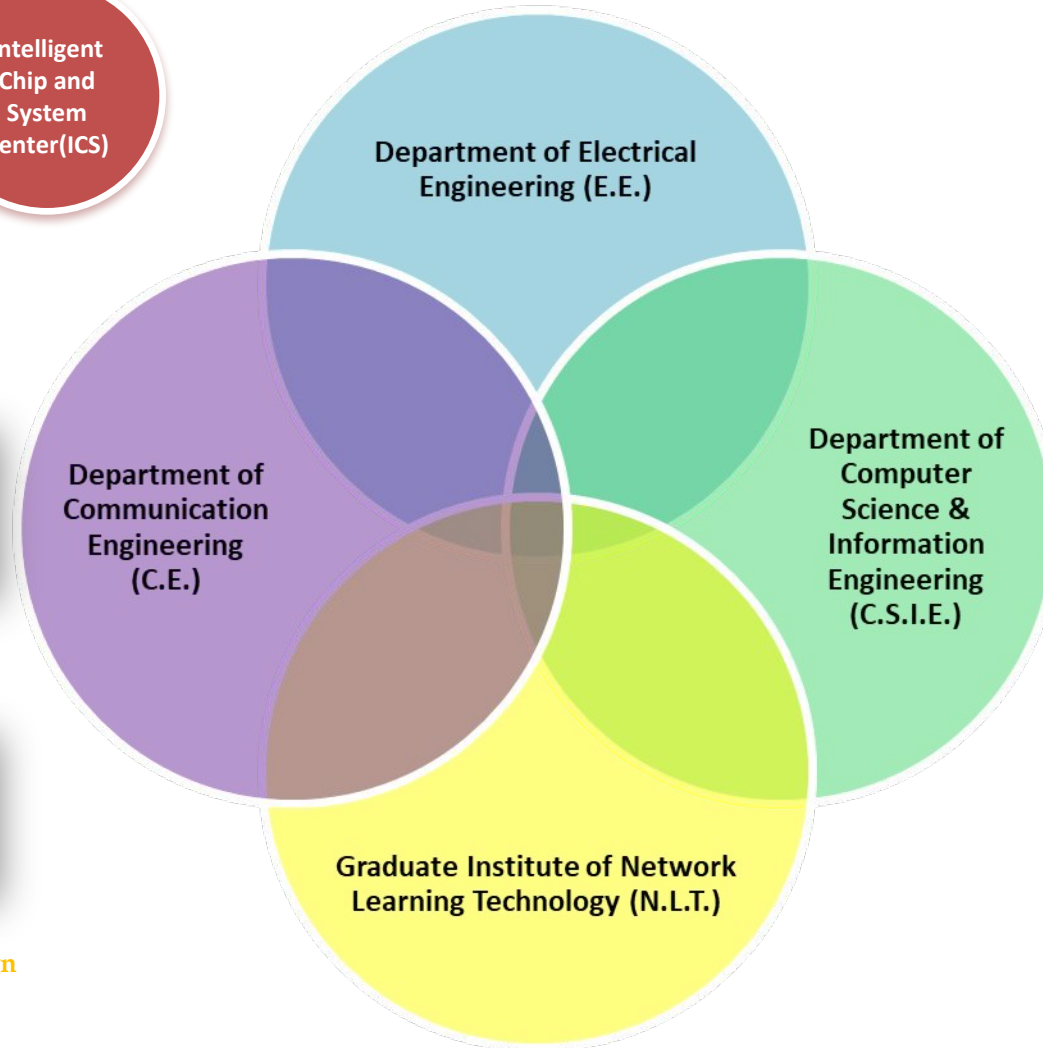

- VVLSI/CAD Lab
- Embedded system La
- Mix Signal & RF Integrated Circuits Lab
- Measurement Lab
- Advanced Reliable Systems Lab

- Communication Systems
- Signal Processing
- Communication Networks

- Joyful Learning Design
- Learning Environment Design
- Digital Content Design
- Interactive Learning Design

- Circuit Design Group
- Solid State Group
- System and Biomedical Engineering Group
- Electromagnetic Waves Group

- Software Engineering Research
- Data Engineering Research
- Network Engineering Research
- Multimedia Engineering Research
- System Engineering Research
- Computational Theories and Applications Research

Programs AT NCU

College of Electrical Engineering and Computer Science

	Bachelor	Master	Doctoral
Computer Science & Information Engineering	•	•	•
Electrical Engineering	•	•	•
Communication Engineering	•	•	•
Network Learning Technology		•	•

Features of Faculties

School of Management

- ◆ Accredited by AACSB at 2014.
- ◆ Founding the first SAP academic center in Greater China region.
- ◆ Establishing Center for Industry Collaboration to enhance liaisons between academia and industry. Business Analytics and Cooperate ESG (Environment, Social and Governance) are the focus.
- ◆ Collaborating with Nobel Laureate to setup the first Dr. Yunus Social Business Centre in the Greater China region
- ◆ Professors won top research awards with MOE National Chair professorship, and MOE Academic Award.

Programs AT NCU

College of Management

Business Administration	•	•	•
Information Management	•	•	•
Finance	•	•	•
Economics	•	•	•
Industrial Economics		•	•
Human Resource Management		•	•
Industrial Management		•	•
Accounting		•	

Features of Faculties

College of Health Sciences & Technology

- ◆ Developing wearable health-monitoring devices
- ◆ Advanced basic genomic and biomedical research
- ◆ Qualcomm Tricorder XPRIZE competition, designing personalized disease detection devices: 2017 Second Prize
- ◆ Molecular and cell biology
- ◆ Environmental Biology
- ◆ Cognitive and brain sciences
- ◆ Biomedical engineering

Programs AT NCU

College of Health Science& Technology

	Bachelor	Master	Doctoral
Life Science	•	•	•
Biomedical Sciences & Engineering	•	•	•
Cognitive Neuroscience		•	•
Interdisciplinary Neuroscience Ph.D. degree program (UST)			•

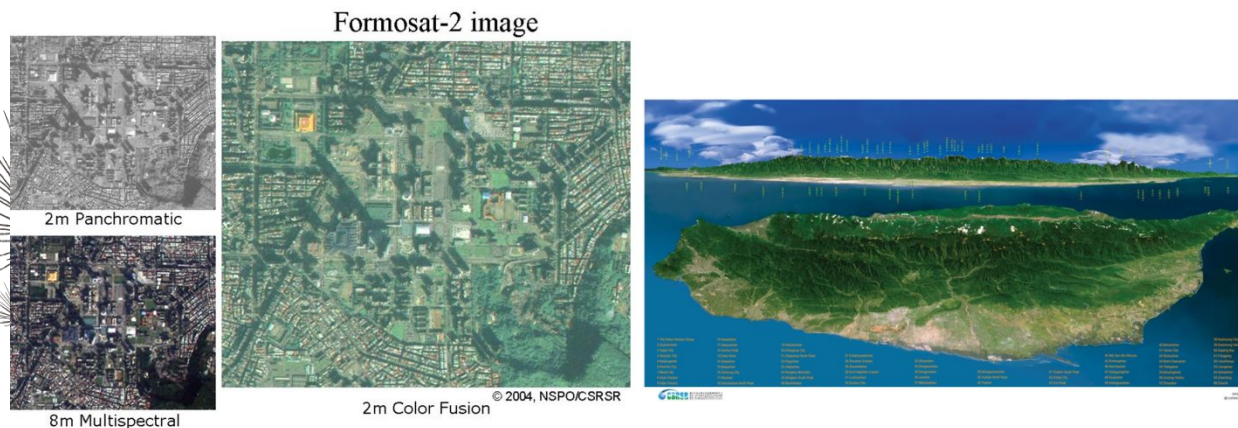

Center for Space and Remote Sensing Research

- ◆ Taiwan's first resource satellite receiving station and owns a 13-meter antenna
- ◆ The biggest satellite data provider in Taiwan for various utilizations
- ◆ Solid research foundation
- ◆ Unique ground station
- ◆ High-performance team for data integration
- ◆ Abundant experiences in technical support for foreign countries

Tuition

College/Department	Undergraduate	Graduate	
		Tuition	Credit fee
Engineering Electrical Engineering/ Computer Science (including Information Management, Industrial Management, Art Studies & Biomedical Engineering)	US\$1,756	US\$888	US\$105 per credit
Sciences / Earth Sciences / Health Science & Technology (except Biomedical Engineering)	US\$1,773	US\$857	US\$105 per credit
Management (except Information Management & Industrial Management)	US\$1,537	US\$750	US\$105 per credit
Liberal Arts/ Hakka Studies (except Art Studies)	US\$1,523	US\$740	US\$105 per credit

On-campus Dormitory

Type: Shared bedroom

(2 people or 4 people)

Facility: desks, closets, hanging fan, air conditioner, internet access

Warm, bright and comfortable!

Off-campus Dormitory

Type: Single bedroom

(1 person or 2 persons)

Facility: desk, chair, closet, bed,
air conditioner, individual
bathroom, and internet access

Dormitory Fee

In-campus Housing

Undergraduate/ Room for 4 persons

	Each Semester	Summer Vacation	Winter Vacation
Male	US\$153- US\$231	US\$96- US\$141	US\$35- US\$51
Female	US\$144- US\$229	US\$88- US\$140	US\$32- US\$51

Graduate / Room for 2 persons or 4 persons

	Fall Semester Sept. 1~Jan. 31	Spring Semester Feb. 1~Aug.31	Note: The dormitory rooms are arranged and decided by the Dormitory Center
Male	US\$278- US\$378	US\$389- US\$529	
Female	US\$258- US\$378	US\$354- US\$529	

Off-campus Housing

US\$1,600-\$4,000 / per year

*\$133-\$333 per month; varies with size, type, location...etc.

On-campus Activities

Welcome Party

Beginning of the new semester

Final Party

Few weeks before the semester ends

On-campus Activities

**Cultural Trip to Earthquake
Museum of Taiwan**

Cultural Trip to Taroko Park

NCU Sport Day in November

National Central University

**Sharing Party-Making Spring Rolls
For Qingming Festival**

Scholarship

Taiwan Scholarship *Fall Entry Only

Duration: undergraduate (max. 4 years), master's (max. 2 years), Ph.D. (max. 3 or 4 years)

Value: USD500- 1,000 per month

Tuition and credit fee may be waived.

Visit the website of [Taiwan Embassy or Representative Office at your Home Country](#) for detailed information of application procedure.

Academic Sinica Taiwan International Graduate Program *Fall Entry Only

Duration: PhD program (max. 3 years)

Value: USD 1,133 per month

Recipients can only enroll in the interdisciplinary Ph.D. programs in Molecular Science and Technology, Earth System Science and Interdisciplinary Neuroscience of NCU.

Scholarship

NCU Scholarship

According to the applicant's academic performance

Master students: Up to USD\$ 750 per month

Doctoral students: Up to USD\$ 1,200 per month

Tuition and credit fee can be waived!!!

Estimated Yearly Living Expense in NCU

Item	Estimated <u>Yearly</u> Expense (1US\$ ÷ 30NT\$)	Note
Tuition	US\$1,480-\$1,776	US\$740-\$888 per semester; varies with department
Credit	US\$2,285	24 credits per year; varies with department
Safety Insurance	US\$14	US\$7 per semester
Internet Access Fee	US\$40	US\$20 per semester
International Student Insurance	US\$300	US\$150 per semester
On-campus housing	US\$612-\$907	varies with dormitory
Off-campus housing	US\$1,600-US\$4,000	US\$90-US\$245 per month; varies with size, type, location...etc.
Meals	US\$2,400-\$6,000	US\$200-\$500 per month
Textbooks and Course Materials	US\$200	
Personal expenses	US\$300	including ARC extension fee, Work Permit application fee and clothing
Total (if On-campus housing)	US\$7,631-\$11,822	
Total (if off-campus housing)	US\$8,619-\$14,915
