Providence University Luking Library is one of Top 10 libraries in Taiwan.	
2. 學校簡介 About Us	
<p>Being a Catholic University, Providence University not only encourages young people to bravely explore revelation and abundant resources in nature but also hopes that they will be natured into whole persons with constant introspection through wisdom and faith. Hence, Providence is committed to cultivating knowledgeable youths with virtues and social responsibility, as suggested in its motto “Virtue with Knowledge” (Virtus cum Scientia).</p> <p>Providence has been awarded “Teaching Excellence University” by the Ministry of Education for 12 years in a row, for its comprehensive and innovative environment and quality facilities for learning. Recently, Providence has further gained the recognition of the “Higher Education Sprout Project.” Faced with an ever-changing digital era and global competition, the university is aggressively cultivating quality talents to be independent in thinking, rich in expertise, mature in attitude, expressive in foreign languages, etc. It is educational ideal of a Catholic university to nurture the student’ passion and ability for the future service of the society.</p>
