

About us

University of Excellence

We are the best medical university in Taiwan. We have approximately 10 thousand students in campus. The university is offered NT\$700 million for facilities improvements, innovation, knowledge improvement to provide and maintain a positive for environment students to study in.

100% Internship, Over 95% employment rate & Encourage Double Major Study

Students are guided throughout the course to obtain professional licenses, so that graduation and employment is guaranteed. We encourage students to take double majors to increase their workplace competitiveness.

Overseas Internships

In addition to send excellent students to study abroad, we encourage students to participate in international competitions and international volunteers, overseas internship units are paid to enable students to focus on overseas internship experience and experience foreign cultures.

Convenience

We provide dormitory facilities and variety of internship stores, such as food streets, optical store, tourism center, Family Mart convenience store, Chinese noodles, western pasta, vegetarian, drinks, gym and safe dining environment. We are also next to the famous Chimei Museum and near to the freeway, the HSR station, train station and the airport. The transportation is very convenient.
