<https://www.youtube.com/watch?v=jS3-On9Q1d4>

2. 選擇貴校的3~5個理由(請盡量簡短, 以bullet point呈現) Why Us

1. KSU is awarded the Ministry of Education's "Higher Education Sprout Project" with USD 5.5 million, making KSU the number one grant benefit per student ratio private university in Taiwan.
2. KSU's Paradigm Technology University Project is ranked No.1 among private universities of Technology by the Ministry of Education.
3. The College of Engineering and College of Applied Human Ecology gained Institute of Engineering and Education Taiwan (IEET) accreditation.
4. The College of Business and Management gained the Accreditation of Chinese Collegiate school of Business (ACCSB) accreditation.
5. KSU was ranked No.1 in the performance of Industry-University Collaboration across three categories (the efficiency and funds of Industry-University Collaboration, various ranges of Industry-University Collaboration, and the number of patent applications)

3. 學校簡介 About Us

Kun Shan University was officially founded on April 29, 1965, named as Kun Shan Institute of Technology. In August 2000, the Kun Shan Institute of Technology was promoted by the Ministry of Education to a technological university, under the name of Kun Shan University.

Comprising 650 faculty members and more than 12,000 students, Kun Shan University is a comprehensive university that offers 20 Undergraduate Programs, 1 Degree Program, 15 Master Programs, and 1 Doctoral Program. The college buildings have been remodeled to accommodate five colleges, namely: the College of Engineering, College of Business and Management, College of Creative Media, College of Applied Human Ecology, and International College. Over the past 54 years, Kun Shan University has been a facilitator of national economic miracle while concurrently and continuously adapting, growing, and improving itself.
