

東海大學
TUNG HAI UNIVERSITY

Introducing Taichung City

- ✓ 2nd largest city in Taiwan
- ✓ Major city in central region of Taiwan
- ✓ Voted as the most livable city in Taiwan
- ✓ Convenient living function, free bus ride for students traveling within **10 km**
- ✓ Important transportation junction between north and south region of Taiwan

Introducing Tunghai University

- ✓ **Founded in 1955 as the first private comprehensive Christianity-based university**
- ✓ **Complete school system, from kindergarten to graduate school for PhD**
- ✓ **9 Colleges, 34 Departments, 10 Programs; early 16,000 current students**
- ✓ **Committing to develop international friendly environment, Boya holistic care, general education, sustainable development campus, and AI smart living technology**
- ✓ **Located in Taichung core living development region, campuses cover 133.95 hectare, famous for the campus scenery, called by people as “Urban Oasis”**
- ✓ **World famous **LUCE Chapel** were co-designed by Architecture Master Mr. Ieoh Ming Pei and Mr. Chi-kwan Chen**

Nine Colleges of THU - 1

College of Arts

Humanistic vision and foreign
language teaching
Value independent speculation and
pluralistic value

Departments	B	M	D
Department of Chinese Literature	V	V	V
Department of Foreign Languages and Literature	V	V	
Department of History	V	V	
Department of Philosophy	V	V	V
Department of Japanese Language and Culture	V	V	
International Master's Program of Teaching Chinese as Foreign Language		V	

College of Fine Arts and Creative Design

THU most known and unique college
Integrating ideas of art and design
Stimulating students creativity

Departments	B	M	D
Department of Architecture	V	V	
Department of Industrial Design	V	V	
Department of Landscape Architecture	V	V	
Department of Fine Arts	V	V	
Department of Music	V	V	
Master's Program of Performing and Creative Art		V	
Department of Architecture: Architecture Design		V	

International College

All English-taught courses
Forming internationalized concepts
Multicultural and interdisciplinary
learning

Departments	B	M	D
International Business Administration Program	V		
Sustainability Science & Engineering Program	V		
Undeclared English Bachelor Class	V		

****Yellow = courses are taught in
English**

Nine Colleges of THU - 2

College of Management

Awarded with AACSB International
Top 5% business management college
worldwide

Departments	B	M	D
Department of Business Administration	V	V	
Department of International Business	V	V	
Department of Accountancy	V	V	
Department of Statistics	V	V	V
Department of Finance	V	V	
Department of Information Management	V	V	
Global Master of Business Administration Program (GMBA)		V	

College of Social Science

Emphasizing both theories and
practices
Innovation in society caring and
public services
Leader in Taiwan Social Science

Departments	B	M	D
Department of Economics	V	V	
Department of Political Science	V	V	V
Department of Sociology	V	V	V
Department of Social Work	V	V	V
Department of Public Management and Policy	V	V	
Graduate Institute of Education		V	

College of Law

All-round professional studies in law
Promoting legal research and
judicial learning
Model college on law study in
Taiwan central region

Departments	B	M	D
Department of Law	V	V	V

****Yellow = courses are taught in English**

Nine Colleges of THU - 3

College of Science

**Team of Professional Lecturer
Academician Alumni**
Focusing both on foundation and applied
science

Departments	B	M	D
Department of Applied Physics	V	V	V
Department of Chemistry	V	V	V
Department of Life Science	V	V	V
Department of Applied Mathematics	V	V	
International Ph.D. Program in Biomedical & Materials Science			V

College of Engineering

Engineering education approved by IIEET
Leading AI digital technology and
industrial development

Departments	B	M	D
Department of Chemical and Materials Engineering	V	V	V
Department of Industrial Engineering and Enterprise Information	V	V	V
Department of Environmental Science and Engineering	V	V	V
Department of Computer Science	V	V	
Department of Electrical Engineering	V	V	
Master's Program of Digital innovation		V	

College of Agriculture

Establishing outstanding self-produced and
self-sold brand
Supplemented by on-campus farming and food
processing factory
Promoting pragmatic teaching and internship

Departments	B	M	D
Department of Animal Science and Biotechnology	V	V	V
Department of Food Science	V	V	
Department of Hospitality Management	V	V	
Bachelor of Science in Senior Wellness and Sports Science	V		

****Yellow = courses are taught in English**

THU Outstanding Teaching Features

- Introduced in 1963 from US, Taiwan's 1st professional training in combination of Engineering Applications and Business Management, to prepare important talents for economic development in Taiwan.
- Established in 1979, Taiwan's 1st Department of Social Work, setting up a model department for Taiwan social psychology teaching.
- Engineering education approved by IEET, leading AI digital technology and industrial development.
- College of Management is awarded with AACSB International, is within top 5% business management college worldwide.
- Having "College of Fine Arts and Creative Design", Department of Architecture and Department of Music are both leading departments among Taiwan University.

Freshmen

Getting Started | Fit into Group

- Four days and three nights orientation
- Learning Villages theme activities
- Learning in Po-Ya School
- Interdisciplinary general education

Sophomore

Deepen in foundation and profession | Steady and Steady

- Professional courses in department
- Learning logical and computational thinking
- Minor, double major
- Chinese, English requested courses

Junior

Interdisciplinary Creative Learning | Coming Handy

- Dual-Degree
- Exchange Program
- Interdisciplinary Credit Program System
- Interdisciplinary AI Cloud College (feat.AWS)

Senior

Job Internship & International Exchange | Expanding Horizons

- Professional Internship
- International Workplace Intern
- Local/Oversea internship, travel plan
- Foreign land remote learning

Interdisciplinary Credit Program

Credit Program Features

- ❑ Not limited to department, interdisciplinary courses, making own exclusive study CV
- ❑ Combing resources and lecturers from different departments, professionally combined courses, training for interdisciplinary personnel
- ❑ Focusing on current trends and adding 28 credit programs, **multiple interdisciplinary courses helping students connect to careers**
- ❑ No credit pressure from double major, **certificate given after completing the program, no credit fee needed**

List of Credit Program

Business Management Area	Language & Communication Area	Humanities & Fine Arts Area
International Finance Professional Program	Asian Language Program	Life Education Program
Entrepreneurship and Action Program	European Language Program	Cultural and Creative Industries Program
Innovative Entrepreneurship and New Service Talent Program	Translation Program	Interdisciplinary Innovative Technology and Fine Arts Program
College of Industry Intern Program		Music Therapy Program
Master's Program of Economic Law		
Master's Program of Innovation and Entrepreneurship		
International Workplace Intern Program		
Social Service Area	Information Technology Area	Applied Science and Engineering Area
Public Service Program	Cloud Technology Program	Environmental Education Program
Senior Activity Planner Program	Department of Information Management Micro-Program	Ecological Industry Program
Business Law Program	Master's Program of Big Data	Biotechnology Program
Parliamentary Assistant Program	New Economy Program	Intelligent Sustainable Circular Economic Industry Intern Micro-Program
Public Human Resource Development		

Internationalized Education

- Partner schools over 5 continents, 30 countries, total of more than 280 schools
- Committing to promote internationalized campus, ratio high of foreign language lecturers
- Bilingual advancing plan, full English-taught courses in major colleges and departments, improving local students and overseas students foreign language ability
- Chinese Learning Center system, providing international students with friendly internationalized Chinese learning and culture experiencing environment

Diversified International Mobility

- **Dual Degree Program**

With Florida State University (US), Temple University (US), and University of New South Wales (Australia) etc.

- **Overseas Remote Teaching**

- Architecture「Architecture in Rome」
- Japanese Language and Culture「Japanese Language and Culture Study」
- Finance「Nanjing University Remote Teaching Program」
- Life Science「Tropical Ecology」
- Food Science「Food Industry Learning Camp」
- Industrial Engineering「Florida State University Advance Study」

- **Long-term Exchange Program**

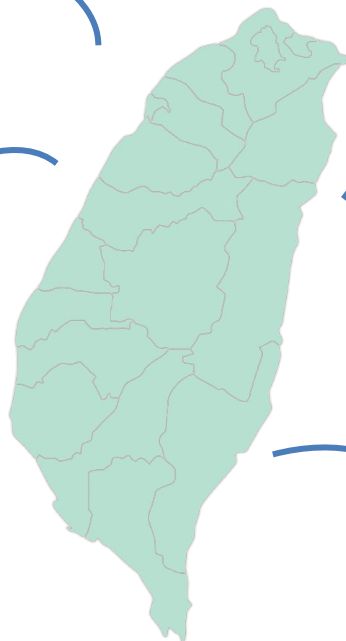

- Exchange with partner schools for one semester or one year
- Local fees for overseas study

- **Short-term Overseas Study and Intern**

Cooperation with overseas government institutions, schools, companies etc., holding exchanging study and industry related intern event

- **International Workplace**

Matching overseas students with international workplace, training transnational and interdisciplinary personnel, connecting with international companies

Overseas Student Supporting System

- **Office of International Relations – Student Affairs**

Focusing on supporting overseas students, including academic counseling, assisting visa application and student airport pickup, scholarship application, and arranging work-study opportunity etc., so students can study here without worry.

- **Overseas Students Unions**

Assisted by former students to become familiar with the environment, blend into college life, deepen communication between students in daily life, and holding different international culture exchange events to bring fun into the college life.

- **International Buddy Program**

Consisting of students who are passionate in serving others, they help international students who came to Taiwan to quickly get familiar with the learning environment and local life style. By participating in activities such as daily-life counselling and culture visiting to achieve the goal of cultural exchange, and at the same time, training local students to have cross-cultural internationalized horizons and broad mind.

International Student Scholarship

- **Awarded Amount (per academic year):**

- Type I: 100,000 NTD
- Type II: 60,000 NTD
- Type III: 20,000 NTD

THU OIR International Degree
Student Scholarship Inquiry Site

- **New student application qualification:**

- Current middle school transcript
- Department classification
- Language ability classification
- Weighted adjustment basis:

Student from recommendation institutes / University lecturer in native country / Participated in camp lecture hosted by THU and had outstanding performance / Had came to THU before or learned about THU academic environment outside Taiwan, and had attended a initial interview / Others

- **Enrolled student application qualification:**

- Completed one semester of study with official student status
- Has a grade point average of 75 or above, or top 25% class rank in the previous semester
- Student Labor Achievement point above 70**
- No major violation of rules or regulations

- **THU Overseas Chinese Student Scholarship:**
 - New student can apply in their 1st semester
 - Starting 2nd semester, qualification will depend on **previous semester's academic performance**
 - **10,000 NTD** per semester per person

- **THU Outstanding Overseas Chinese Graduate Student Scholarship:**
 - New student will be evaluated on **undergraduate academic performance** for qualification
 - Starting 2nd semester, qualification will depend on **previous semester's academic performance**
 - **10,000 NTD** per month per person, and allocate every month according to the list

Scholarship provided by the government or other units:

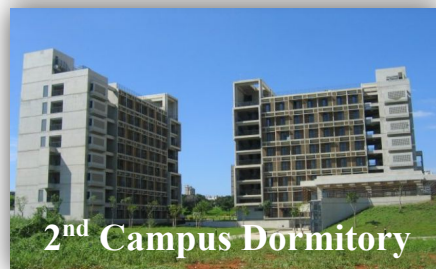

- OCAH Overseas Chinese Student Scholarship
- OCAC Overseas Chinese Student Grant
- FOCA Overseas Chinese Student Scholarship

東海大學
TUNGHAI UNIVERSITY
TAIWAN SINCE 1955

The First & Premier
Private University

東海大學－臺灣高校全人教育的典範

Study at Tunghai University

Why Tunghai University (THU)?

1. THU, founded in 1955 as the first private university in Taiwan, Tunghai University is an innovative and comprehensive university with a deep liberal arts heritage.
2. THU is located in Taichung City in central Taiwan, with a vibrant city life, cultural events, and convenient public transportation. It is about an hour to Taipei City by High Speed Rail.
3. Over 356 acres wide situated in Taichung, the campus is designed by world famous architect I.M. Pei. THU is renowned for its spacious and picturesque campus, which provides an ideal environment for teaching learning and research.
4. THU, continuing the founding spirit of Christian higher education and emphasizing holistic learning, offers students, faculty, and staff a strong sense of community, and has become a "home away from home" for overseas students.
5. THU is the first and only educational institution in Taiwan with all levels of instruction, from its preschool and kindergarten all the way to graduate studies in master's and doctoral programs.

IC

THE INTERNATIONAL COLLEGE

Cross-disciplinary thinking for an interconnected world

THU's International College is an innovative liberal arts-based college that aims to redefine how students see and interact with the world. In striving to achieve this vision, the International College is committed to providing a nurturing English immersion environment, interdisciplinary curriculum, experiential learning, and multi-cultural experiences.

1ST

Undergraduate English-immersion program in Taiwan

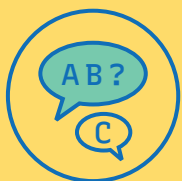

34

Countries represented in IC students and faculty

CHINESE STUDY (學中文!)

Take Intensive Mandarin Chinese classes in a Chinese-speaking country

ENGLISH INSTRUCTION

IC courses and general education requirements all taught in English

INTERNATIONAL ENVIRONMENT

Students and instructors from 30+ countries and US American mentors to assist students

STUDY ABROAD OPPORTUNITIES

Exchange programs, faculty-led programs, and dual degree programs (2+2, 3+2, & more) all available

Global Leadership Curriculum

At the heart of the International College is the Global Leadership Liberal Arts Curriculum. Through coursework, guest lectures, and events and activities in an international atmosphere we aim to enhance students' international awareness and global vision while building a multi-faceted, factual, and first-hand understanding of global trends in business, economics, culture, and the arts.

GLOBAL LEADERSHIP PROGRAM CORE VALUES

Awareness of current events

Engagement with the world

A self-critical attitude

Leadership and confidence

Program Overview

3 PROGRAMS. ENDLESS POSSIBILITIES.

The Interdisciplinary Degree (IDP) is a gateway into Tunghai University for international students with limited or no Chinese ability. Ideal for those who want to improve their Chinese ability and explore fields of study in a vibrant international community.

IDP

INTERDISCIPLINARY
DEGREE PROGRAM

IBA

INTERNATIONAL
BUSINESS ADMINISTRATION

The International Business Administration (IBA) program is an all-English undergraduate program that introduces students to important themes in global business and leadership through a diverse curriculum with a focus on global awareness.

The Sustainability Science and Engineering (SSE) program teaches students how to research and resolve sustainability issues as students study the intersection of social, economic, and environmental factors in an all-English program.
